

**Assumption of the Risk and Waiver of Liability Relating to
Coronavirus/COVID-19**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Crystal Clear Cleaning Company (CCCC) has put in place preventative measures to reduce the spread of COVID-19; however, CCCC **cannot guarantee** that you or your family will not become infected with COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my family and I may be exposed to or infected by COVID-19 by services provided by CCCC and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 by a CCCC employee may result from the actions, omissions, or negligence of myself and others, including, but not limited to, CCCC employees.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my family or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my family may experience or incur in connection with services provided by CCCC. On my behalf, and on behalf of my family, I hereby release, covenant not to sue, discharge, and hold harmless CCCC, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of CCCC, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after any services provided by CCCC.
